READING AT HOME

Reading Superstars!

At Valley we aspire to become amazing readers. We can do this by reading our reading books at home three times every week and finding as many other opportunities to read as we can.

Ten Top Tips for Reading at Home!

1. Find a cosy spot.
2. Read with others: Ask a grown-up to read to you, even if you can read by yourself. It's a lovely way to share stories and learn new words.
3. Borrow books from your local library.
4. Make reading a habit.
5. Pick the Right Book: Choose books that interest you.
6. Try different authors and genres: You could try adventure stories, fantasy stories, funny stories or non-fiction.
7. Talk about your book with friends and family.
8. Balance screen time: It's okay to read on a tablet sometimes, but remember to read real books too. Audiobooks are also great for listening to stories!
9. Celebrate your reading.
10. Recommend books to family and friends.

There are lots of ideas for books you could read on weekly newsletters.

Our school library, class libraries and local community libraries also have lots of choice so enjoy choosing lots of different genres and subjects that interest you!
