

Year 2 Spellings

Spring 2

Group A

Spectacular Spelling involves learning both key spelling rules and key common exception words.

Practising these and applying them in a variety of contexts helps your child develop their vocabulary skills, accuracy and confidence.

The expectation is that the children will learn their weekly spelling rule, practising both reading and spelling it, alongside practising their Wizard Words which are the focus common exception words for this term. In school, teachers will focus on these spelling rules for that particular week. On a Friday we will allow the children the opportunity to apply 5 of these new spellings to dictated sentences. At the end of each half term, we will assess the children's progress in learning their Wizard Words.
