

Key Instant Recall Facts

Year 1 – Spring 1

Key Vocabulary

4 add 2 = 6

3 and 2

together

make 5

3 and 2 = 5

5 subtract 1 =

4

1 plus 4

equals 5

3 minus 1 = 2

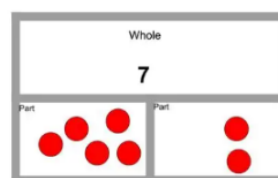

I aspire to know all addition and subtraction facts for all numbers between 0 and 10.

By the end of this half term, children should be able to

recall number bonds to 10 instantly.

		Blue	Red
0	6		
1	5		
2	4		
3	3		
4	2		
5	1		
6	0		

Your Home learning this half term...

Key Questions

Make 6 with your fingers.

How many more to 10?

How many ways can you make 7?

If $5 + 2 = 7$ then $7 - _ = 5$

$5 + \bigcirc = 9$

$9 = _ + 3$

Top Tips

The secret to success is practising little and often. Use time wisely. Can you practise these KIRFs while walking to school or during a car journey?

Challenge 1	Use items at home to make the above display of number bonds to 10. It could be paper chains or counters. Use your imagination.
Challenge 2	Use practical resources to solve word problems. I have 6 sweets, how many more sweets will I need to make 7 sweets in total? I have 6 cars, how many cars will I have if I take away 3?
Challenge 3	You can play games online at https://ictgames.com/saveTheWhale/index.html and then see how many questions you can answer.
Challenge 4	Can you make a poster displaying the ways you can make 7? You could draw pictures and visuals to help you remember them!
Challenge 5	Get a grown up to give you some number bonds to 10 questions. How many can you get right? You could do this on a car journey, on a walk in the park or just at home!
Challenge 6	Use things found in nature to make the number 9. For example, 4 sticks and 5 stones to make 9. 3 leaves and 6 conkers to make 9.
