

Year 3 Spellings

Autumn 1

Group A

Spectacular Spelling involves learning both key spelling rules and key common exception words.

Practising these and applying them in a variety of contexts helps you to develop your vocabulary skills, accuracy and confidence.

The expectation is that you will learn your weekly spelling rule, practising both reading and spelling it, alongside practising your Wizard Words which are the focus common exception words for this term.

In school teachers will focus on these spelling rules for that particular week.

On a Friday we will allow you the opportunity to apply 5 of these new spellings to dictated sentences. At the end of each half term, we will assess your progress in learning your Wizard Words.
