Nursery
Our Community and its People.

Understanding the World

Communicate

Play 'Simon Says'. Ask a grown up to give you some instructions but you only do them when they say 'Simon Says'. Listen carefully and try not to get caught out. Then you could swap over and give the instructions.
(ELG: Communication and Language)

Role Play

Collect your favourite teddies or toys and create ways you can help them.
Can you teach them in a classroom?
Rescue them when they are stuck?
Give them first aid if they are hurt?
(ELG: Personal, Social and Emotional Development)

Explore

Visit some of your favourite places close to your home. Why are they special to you?
Can you visit a place of worship?
What did you like about it?
(ELG: Understanding of the World)

Count and Sort

Use blocks or junk modelling to build a vehicle or building that can be used to help people in your community.
What shapes and which blocks or boxes would be best? Use mathematical language such as curved, straight,round, pointy, flat and corners to help you describe the shapes.
(ELG: Maths)

Read and Write

Click on the link of the story:
https://www.youtube.com/watch?v=hdrLLCtOqCo
Tell an adult what change you can make to look after the environment.
(ELG: Literacy Development)

Perform

What would you like to be when you are older? You could show us by dressing up, painting a picture or making a model, you could set up your own workplace and act your job out.
(ELG: Expressive Arts and Design)

Move

How can you help the environment? Walk, ride or scoot to school. Can you help with the recycling at home too?
(ELG: Physical Development)

Be Inspired

Speak to your family about the jobs they do. How do they help people?

Can you think of your own activity, linked to this topic?
