

Experiment

Experiment making moon rocks. You could use the link below:

<https://thecraftingchicks.com/diy-moon-rocks/>

Create

Make your own space rocket using junk modelling from home.

What will you call your rocket?

What is the name of the mission it's on?

Explore

Make your own moon calendar over a month. Observe and draw the shape of the moon every night. What do you notice?

Year 1 Moon Zoom

Investigate

Research fascinating Facts about the moon and the moon landings.

Compose

Can you name the planets of our solar system and write a mnemonic to remember the order:

Perform

Make BIG, slow and bouncing movements like an astronaut, to the soundtrack of Gustav Holst- The Planets or Richard Strauss Space Odyssey opening theme.

Move

Can you have your very own space race? Who will make it the moon first?

Be Inspired

Research songs written about space: Rocket Man, Walking on the Moon, Space Oddity, Mr Spaceman.

Who wrote the song?

Which is your favourite?

Can you think of your own activity, linked to this topic?
