

## Spring 2 Science Quest

Are you ready to challenge yourself with a Science Quest?

This half term's challenge is to use our creative skills in Science activities. Earn 10 housepoints for your house by completing a challenge and sharing it in school.

### Year 3 Skeletons

1. Describe what you can see.
2. How do you think the artist made this artwork? Did they use pencil, paint, collage, clay, or something else?
3. What do you like or not like about this artwork?

4. Can you recognise the animals the artist has drawn?

			

5. Choose an animal and research their skeleton.

6. Create their skeleton using any medium (pencil, straws, collage)

7. Can you name any of the bones?
