

Spring 2 Science Quest

Are you ready to challenge yourself with a Science Quest?

This half term's challenge is to use our creative skills in Science activities. Earn 10 housepoints for your house by completing a challenge and sharing it in school.

Year 2

Oceans

Look at the image above.

1. What kind of habitat is this?
2. Name some of the animals and plants you can see in the picture. Are there any you're not sure about?
3. Can you think of any other animals or plants you might find in this habitat? And can you think of some you would definitely not find living in this habitat?
4. Make your own collage of the ocean habitat and its animals.
