

Valley Primary School

GROWING AND LEARNING TOGETHER TO BE THE BEST WE CAN BE!
ASPIRE...ENJOY...ACHIEVE...CHALLENGE!

Head Teacher: Miss S. Milewski

Learning Timetable: EYFS Nursery Provision.

Our Nursery is open and therefore children can book a place to access provision within school, however we are offering a remote learning curriculum alongside this for those children who are extremely clinically vulnerable or choosing to stay at home during lockdown.

Learning at Home

Daily Activities

Home Learning Activity Sheet

- Choose at least two activities from the coloured boxes which have focus activities from each area of learning from Development Matters.
- Practice the Phonics activities each day.
- Complete the activities titled 'On a daily basis...'
- Consider doing something from 'To challenge yourself further...'

A new Home Learning Activity Sheet will be uploaded to our school website Nursery Year Group Page each Monday morning:

<https://www.valleyprimaryschool.co.uk/nursery/>

Modelling a key skill and then a challenge from one of Valley EYFS teachers

- Watch the short film clip showing one of our Valley EYFS teachers teaching a new skill and then complete the activity set using objects from around your home.

A new clip will be uploaded to our school website Video Resource Centre each morning:

<https://valley-primary.primarysite.media/>

We encourage children to send in photographs of themselves completing the activities or keep evidence in a folder at home to bring in to school when they return and show their teacher.

Ongoing Activities and Challenges for the Half Term.

- Vision and Values focus PSHE Activity – we continue to 'Aspire, Enjoy, Achieve and then Challenge ourselves further in everything that we do.' This half term's focus value is 'Honesty' – we encourage children to consider how they can show honesty in their daily lives or honesty in things they see on the television, on our recommended websites or during our live lessons.
- KIRF ... Key Instant Recall Fact, to focus on ... this should be practised as much as possible and will be assessed at the end of the half term.
- PSHE Diary – Keep a diary of your feelings during lockdown and activities you do. Always include the most positive thing that happened that day. Consider any hopes or targets for the next day. You can keep parts of this private and choose to share parts with your teacher or class when you return.
- Around the World Activities... additional projects and activities in SMSC, Personal Development, Topic (History and D.T focus) and Topic (Geography and Art focus), English and Maths.
(Remember to choose at least one from each subject box so you can travel Around the World and complete your Topic Passport to be in with the chance of winning a spectacular prize at the end of the year!)
- Learning Zone websites / Times Tables Rock Stars ... additional recommended online website-based activities to help children develop key skills.
- CBBC curriculum based television programmes – each morning the BBC will show curriculum based programs, some of which will also be available on demand via iPlayer.
