

EYFS Super Science Activities

Floating and sinking

What can you find in your house that sinks in the bath? Are there things that float? What do you notice? Can you sort them?

Dunking Championships

Which biscuit do you think will be the best for dunking? Choose a few different biscuits and some cups of warm water. Dunk each biscuit in the cups in turn. Which lasts the longest without breaking?

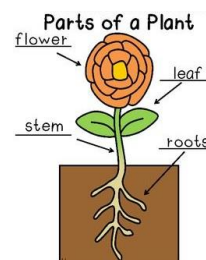

Minibeast Safari

You will need to look very carefully in your garden or on your walk. Can you spot any minibeasts? How many different ones can you spot? How are they the same? How are they different from each other? Can you draw any?

Plants labelling

Go outside and find a weed that your carers are happy for you to dig up. Dig it up and then draw all the things you can see. Can you label the roots, stem, flowers, and petals?

Shadows

What shadows do your toys make? Can you draw around the shadows with chalk? Do they look the same as the toy?
