

## LKS2 Magical Music Activities

### Paint to Music

Get some paper, tempera paint and a brush. Choose a few different types of music that have different tempos, rhythms and feels. Can you create a playlist of mood music that encompasses all the different emotions? Your pint-sized Picasso can paint away, moving the brush to the different types of tunes.

### What is composition?

Can you create a poster or a PowerPoint and research what composition is?

### Drum kit

Can you help your band drummer make a drum kit out of materials at home?

### Grab your adult

Your job is to ask your adult to teach you the lyrics to a song that they liked when they were your age?
