

Year 1 Spellings

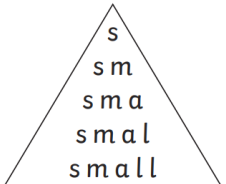

Summer 1

In Year 1 we need to practise reading and spelling a variety of 'tricky words'. These are words that are hard to sound out and need to be read and spelt by sight. Practising these and applying them in a variety of contexts helps your child develop their vocabulary skills, accuracy and confidence.

In school teachers will focus on these spellings below for the half term. We will allow a variety of opportunities for children to spell these words correctly and apply to dictated sentences. Below are a variety of examples of how you can practise these spellings at home with your child.
